Notice to Petrogas Active Suppliers

Please be advised that effective December 26, 2020, AltaGas Ltd. has assumed operational oversight for all of Petrogas' operations. This change is a result of AltaGas Ltd. having indirectly acquired an additional equity interest in Petrogas Energy Corp. (which now holds an indirect majority ownership in Petrogas Energy Corp.) along with Idemitsu Kosan Co., Ltd. who indirectly holds the remaining equity interest. AltaGas is a leading North American energy infrastructure company that connects NGLs and natural gas to domestic and global markets and provides clean and affordable energy to its customers.

Until further notice, all current Petrogas business operations and working relationships will not change and will continue to operate under the same conditions. All current Purchase Orders will remain open. All contracts that are currently in place will remain in full effect under the same terms and conditions. Please continue to submit your invoices in accordance with the current process.

We look forward to our continued relationship. Should you have any questions or concerns regarding your contract or require further information, please email purchasing@altagas.ca.

Regards,

Kevin Staveley
